Dr. K.Vani, an Alumni, receives The Best Alumni Award - 2011

News from Alumni Desk

Oh! My Dear friends, let us meet together once again. We believe that all our friends are eagerly waiting for the day in which we are together to review the cherishable memories of our bygone days. How is it possible for us to forget the college days which moulded our thoughts in constructive ways and means? It was with us in our weal and woe. Apart from all our endeavours, we have to look forward the great deeds to be accomplished for our institute.

Don't you heard the news that the students of our college have done the humanitarian deed by donating 2.5 lacs for a student, the victim of train accident.

Practice makes a man perfect. As you are all well aware that communication play a vital role, it is our duty to update our present address, phone number, email address for easy contact. Our institution is not just about bricks, mortar and concrete but about building character, inspiring minds and about enriching experiences that lasts a life time. We shall perceive the world with our positive thoughts and optimistic ideas.

Like a duck in the pond which appears to be motionless on the surface of water but keeps constantly padding its legs under the water, we have to continue our task without procrastinating our important duties.

Remember, minds are like parachutes!! They work only when open. So let us keep our minds open to absorb what is new in the world.
